

At P3, we believe [people](#) are at the core of everything we do, be it business or community-centric projects. After the devastation in Pakistan in the wake of the 2022 floods, we focused fundraising efforts within our networks towards rehabilitation in affected areas, emphasising the need for a sustainable approach towards all undertakings.

**ABOUT US**

Sab Saath, a project of Zaman Foundation, is an online platform that connects those who want to help with those who need it. We coordinate relief efforts across organizations to route help where it is most needed.

In August 2022, Pakistan was hit by unprecedented floods which took 33 million lives in Pakistan.

We raised with 25 organizations and hundreds of individuals to provide emergency aid to Pakistanis and rehabilitate communities completely submerged by the floods.

**WE STILL NEED YOUR HELP**

- Rebuild a Community: **100 LACS**
- Rebuild a Home: **5.7 LACS**
- Build a Washroom: **2.10 LACS**

Every penny you donate goes to charity.

With the advent of Ramadan, we would encourage members of our Muslim networks to direct their charitable donations to Sab Saath. As this is a particularly difficult time for affected communities, donations from our wider community will go a long way towards supporting the rehabilitation efforts organized by Sab Saath, and we would encourage those in our network to give generously to this cause.
